Alten UK opportunities – Aeronautics, Space and Defence / Railway / Automotive / Energy / Business

ALTEN Ltd is currently involved in innovation development for the automotive, aerospace, railway and energy industries with premium customers in the UK. ALTEN currently offers opportunities to high potential engineers to join their teams in order to answer the continuous demand of customers and tackle exciting challenges.

As part of our development in Aerospace / Railway / Automotive / Energy / Nuclear / IT sectors / Business Development, we are currently looking for engineer (s) / economic (s) / management profiles with various skillsets and interests.

Positions:

Working as part of ALTENs aerospace team, you will have the opportunity to be involved in many challenging engineering activities for a wide variety of customers such as **Bombardier, Rolls Royce, Airbus, Thales, Nissan, Bentley, Jaguar, Land Rover, Amadeus** among others. Currently, we are looking for engineer (s) in the following activities:

- Product Engineering (Aerospace , Electronic, Mechanical, Installation, Cabin).
- Management of Quality Projects.
- Manufacturing Engineering.
- Supply Chain Management.
- Customer Support / Process & Standards.
- Mechanical Desing.
- Civil Engineering.
- Simulation.
- PFMEA / ADAS.
- Hybrid Powertrain / Renewable Energies.
- Waste Management / Plan Design / Commissioning & Launch.
- Project Management.
- Business Development Managers.

The ideal candidate must show:

- High level of commitment towards ALTEN and our customers stakes.
- Solutions oriented mind-set.
- Delivery focus.
- Result driven and fact-based approach.
- Strong abilities to work under pressure.
- Autonomous technical project management abilities.
- Abilities to work and progress in a cross-functional environment.

Ideal Skills & Pre-requisites:

You must be qualified in a **M.Sc. or MEng** with a technical engineering background. **Ideally +1 year of experience.**

At ALTEN Ltd you will join one of the fastest growing consultancies in the UK, with variety of customers and activities. Personal qualities that we value are the ability to act professionally as a consultant and to understand the client's goals and values. These include someone who is positive, able to create and maintain long lasting relationships with our customers, thrilled by challenges and able to use creativity and hard work to find new solutions.

Please feel free to send directly your CV to antoniomiguel.hurtadomontiel@alten.co.uk and get more information.
