Dear students,

Take the opportunity to experience more of what we do in Bain at our EMEA flagship event Bainworks. We will meet you online or in person, depending on the world situation. During the program, you will experience what it is like to work on a Bain case team. Roll up your sleeves alongside our consultants and discover if Bain and a career in consulting is the right choice for you!

At Bainworks, you will crack a case together with students from other European countries to prove your analytical and consulting skills.

If you are graduating in 2021 or in 2022 and you are interested in Bain & Company, we would certainly welcome the opportunity to meet you as we are looking for high potential candidates to join our team. Send us your application online through www.bain.com/bainworks by September 3, 2020 together with your CV, transcripts and a cover letter in which you briefly outline why you should represent Madrid at the Bainworks event. If you have any questions about Bain and Bainworks, please do not hesitate to contact us.

We look forward to receiving your application!

Kind regards,

Bain & Company Madrid Team
