Master's in Strategic Leadership towards Sustainability

” The question of reaching sustainability is not about if we will have enough energy, enough food, or other tangible resources - those we have. The question is - will there be enough leaders in time?

- Dr. Göran Broman & Dr. Karl-Henrik Robèrt,
MSLS programme founders

MSLS is a 10-month transformational Master's programme addressing the worlds biggest challenges by developing leaders able to co-create a thriving and sustainable society.

Key facts about the MSLS Programme:

- Based in the beautiful archipelago of Karlskrona in Southern Sweden
- An international program, MSLS was founded in 2004 and has over 900 alumni from 90+ countries
- Our graduates work across all disciplines, sectors and organizations to transition and transform society towards social and ecological sustainability.
