

Antwerp Summer and Winter University

Apply now - deadlines for Antwerp Winter University 2026 are near

Registrations for our seven winter schools are closing soon. Choose from diverse topics, including **Electrocatalysis, Global Food Law and Policy, European Solidarity, Feminism and Motherhood, International Design, Pharma Logistics** and **Crisis Governance**. Each programme is designed to challenge you, expand your expertise and **connect with an international community** of students, researchers and professionals.

Looking ahead to Summer 2026, you can already look forward to five inspiring summer schools: **Children's Literature, Responsible Fashion Management, Vaccinology, Film History** and **Arts & Media Archaeology**.

And that's just the beginning: our full lineup of 20+ summer schools will be launched in February!

Want to make your winter and summer unforgettable? Apply now!
