

We're excited to share an excellent opportunity for your students and recent graduates: the **EUROCONTROL Skyline Traineeship Programme**, starting in **April 2026**.

This programme offers students the chance to gain **hands-on, paid experience** in an international aviation environment while actively contributing to the future of air traffic management. Students can apply by 9 November.

Why this could be the perfect next step for your students:

- ✓ A paid, full-time traineeship lasting 6-12 months
- ✓ Opportunities across four international locations: **Brussels, Brétigny, Luxembourg, and Maastricht**
- ✓ The chance to work on real projects in:
 - Air Traffic Management & Data
 - IT & Digital Innovation
 - Communications
 - Economics & Finance
 - Legal & Regulatory Affairs
 - HR & Administration

Learn more at our online info session

Students will hear from current trainees and programme coordinators, get practical tips on how to apply, and have the opportunity to ask questions directly.

 **Date:** 16 October 2025 **Time:** 11:00–12:00 CEST  **Format:** Live online session
