

We are pleased to announce that our program for the **TU Berlin Summer University 2022** is now online and we look forward to welcoming students back to Berlin again this summer (finally!)

This summer, we will be offering **online** and **on-campus** courses of either 2, 3 or 4 weeks in duration from June 27th to September 2nd, 2022. As always, participants can choose from a range of courses across the fields of science, technology, engineering and business. All courses are ECTS accredited.

A screenshot of the TU Berlin Summer University 2022 website. The header includes the TU Berlin logo and the text "Technische Universität Berlin". A navigation menu on the left lists various university sections, with "Summer and Winter University" expanded to show "Summer University 2022" and "Summer University On-Campus 2022". The main content area features a large image of a smiling woman holding a blue folder, with the text "Presenting the 2022 summer program!". Below this is a section titled "Summer University 2022" with a brief description and a "contact us" link. The right sidebar contains a "TUB-Login" field, a "Quick Access" search bar, social media icons, and "Contact" information for TU Berlin Summer & Winter University, including a phone number and email address. At the bottom of the sidebar, there are "Downloads 2022" for a "POSTER" and "Program Overview".
