

Technische Universität Berlin

Summer School 2023

The registrations for the TU Berlin Summer School 2023 are now open!

The TU Berlin Summer School is a high-quality academic summer program for international students interested in studying in Berlin, Germany.

Next summer, we will be offering online and on-campus courses of 2 - 4 weeks in duration across many different fields, such as Satellite Design, Python Programming, Innovation and Engineering. All courses are in English and ECTS accredited.

A cultural program is provided in addition to the academic content, where participants will experience the highlights of Berlin and get to know their international peers.

Accommodation is available, students receive both a public transportation ticket and 24-hour support from the Summer School team on site.

Registrations are now open and the Early Bird discount is available until 1 March 2023.
