Cool summer 2026 - join VIA Summer School!

2025 is coming to a close and we would like to take this opportunity to look ahead to 2026 and tell you about our summer school programme for the coming year.

Courses summer 2026

Next summer, VIA will offer 4 summer school courses:

- [UN's 17 Sustainable Development Goals summer schools and co-creation \(Aarhus\)](#)
- [Deep Dive into Entrepreneurship \(Aarhus\)](#)
- [Toon Boom Harmony 2D Animation \(Viborg\)](#)
- [Comic Tools \(Viborg\)](#)

Join us in Aarhus for one of our cross disciplinary courses, about the UN's 17 SDGs or entrepreneurship, open to students from all academic fields. Or, get creative with Comic Tools and Toon Boom Harmony 2D animation at VIA's internationally recognised animation school The Animation Workshop in Viborg.

The full course list is ready and the application system is now open!

You are always very welcome to contact us at summerschool@via.dk, if you need more information or have questions about courses, application etc.

[Find the full course list here!](#)

Summer School online info meetings

In January, we will host an online meeting about VIA's Summer School 2026 programme, where students and counsellors can learn more about the content of the 4 courses and have plenty of time for Q&A.

- 27 January 2026, 4-5 PM – [Join the meeting here!](#)

If you would like to book an individual online meeting for your students and/or counsellors feel free to contact us at summerschool@via.dk. We will be happy to host a meeting with you.
