

PhD FELLOWSHIPS

Fellowships for postgraduate studies and doctoral thesis in
propulsive systems at CMT-Motores Térmicos

Universitat Politècnica de València, Spain

Number of Fellowships: 15

Requisites

- University degree or equivalent with a background formation in one of the following topics: Fluid Mechanics, Heat and Mass Transfer, Energy, Combustion, Thermal Engines (others may also be considered).
- Degree obtained after June 2019 and before September 2021
- Birth date: After 1st of January 1994

In addition to the consideration given to the academic records of a candidate, specific knowledge in computer science and English will be valued.

Non-European students will have to pay a supplement of about 160 € for any [registration](#) at UPV and the expenses that may be required for legalizing their documents in Spain.

Grant conditions

In normal circumstances, and depending on both the regulations of the university and the Spanish law and their possible changes, CMT-Motores Térmicos guarantees that the student will have a grant for up to four years maximum.

Please note that depending on the personal situation of each student, the legal procedures to formalize a scholarship in Spain can take about three months. It is therefore advisable to foresee funding for living expenses for the duration of the process.

The expenses for any personal paperwork required by UPV for the enrolment are not supported by the grant.

First two years

During this period, the students will attend master courses (with EUR-ACE® Label), with the following benefits:

- A scholarship of 1028 € per month (August excluded)
- Master courses fees (value of approximately 3600 €)
- Medical insurance (value of approximately 600 €/year)

Following two years

Beginning with the third year, the scholarship conditions will be improved, or at least maintained.

The scholarships holders may be proposed as candidates for grants offered by official public programs, with additional benefits.

Place

CMT-Motores Térmicos, Universitat Politècnica de València. Camino de Vera s/n. 46022 Valencia (Spain).

Deadline

Applications must be sent between 1st of February and 30th of April 2021.
