

Aerospace Systems (SIS) Speciality

Focused on ground and airborne automation systems.

Semester	Specialisation Area	Common /Speciality	Subject	Subject ECTS	Semester ECTS
2	Systems	Speciality	Aeronautical Systems Simulation	5	30
			Electric Power Systems in Aerospace Vehicles	4	
			Airspace Vehicles Control.	5	
			Discrete-Time Control Systems	5	
			Avionic System Architecture.	6	
			Multisensor Processing Information	5
