

The Airbus Global Graduate Programme (AGGP)

- The programme offers a development pathway into a range of exciting technical and business positions.
- It is open to bachelors or masters graduates with up to 3 years of experience, as well as to final year students.
- **The application deadline is 6th November 2022**, with the programme starting in Autumn 2023.
- Find out more information [here](#) and access all available roles [here](#).
- The following materials may be of use if you would like to share these opportunities further:
 - [AGGP flyer](#)
 - [Ready-to-use email](#)
 - [The roles I think could be of most interest to your students and graduates](#)

In addition, the opportunities below could interest students not yet ready to look for a graduate position:

Airbus Global Student Internships

- The programme is open for students from any year of study.
- Internships range from 3 months to 1 year and are available in France, Germany, Spain, UK and the USA all year round.
- Students can apply directly here
<https://www.airbus.com/en/careers/students#internship>

The Airbus A350F Livery Design competition

- The competition is open to anyone passionate about the aerospace industry, to design the livery of this new generation aircraft.
- Competition closes on November 28th 2022 and participants can either enter as individuals or in teams.
- Students can find out more and enter the competition here
